Week Commencing ~ 17 May 2010 ~ Issue #1055

**SINGLES.** With a brief promo tour occurring this week, Usher could not have picked a better time to visit. *OMG* holds onto the top spot for another week. The rest of the top ten has changed quite a bit with new entries from Taio Cruz, Eminem and B.o.B. Glee Cast's *Like A Prayer* jumps into the top 30 following the broadcast of the much-anticipated Madonna episode. Sydney band Amy Meredith grabs a top 30 spot with new single *Lying*.

**No.22 NOT MYSELF TONIGHT** – Christina Aguilera. Returning to the charts for the first time in nearly two years, Christina Aguilera drops the first single from her forthcoming fourth album, *Bionic*. *Not Myself Tonight* sees Aguilera moving back towards the electro-pop styling of her *Dirty* (No.4 Nov. '02) days. It's her first single to enter the charts since *Keeps Gettin' Better* (No.29 Sep. '08). *Bionic* will be released in early June.

**No.56 DANCE THE WAY I FEEL** – Ou Est Le Swimming Pool. Appearing on the ARIA Singles Chart for the very first time this week is U.K. act *Ou Est Le Swimming Pool*. The trio, who are based in the London borough of Camden, formed in 2008. They are heavily influenced by 80's electro-pop by the likes of the Pet Shop Boys and have toured with the likes of La Roux and Sam Sparro. *Dance The Way I Feel* recently peaked at No.2 on the ARIA Club Chart.

**No.65 YOU USED TO HOLD ME** – Calvin Harris. The new single for Scottish DJ/producer/singer-songwriter Calvin Harris, is his fourth from his second album *Ready For The Weekend* (No.39 Aug. '09) to enter the charts. It comes after *I'm Not Alone* (No.48 Aug. '09), *Flashback* (No.38 Feb. '10) and *Dance With Me* (No.13 Oct. '08). The video features Harris driving a monster truck.

**No.66 WITH EMPEROR ANTARTICA EP** – Boy & Bear. Sydney quintet, Boy & Bear enters the ARIA Singles Chart for the first time with this five-track EP. The band have been performing together since 2008 and won a spot on the *Homebake* bill in 2009. They recently toured the U.K. with Laura Marling and are currently supporting Lisa Mitchell on her national tour. Boy & Bear will be launching the EP with a handful of headlining shows in June.

**No.70 RICH KIDS** - Washington. This is the second EP to enter the ARIA Singles Chart by the band lead by singer-songwriter Megan Washington. It follows on from last year's *How To Tame Lions* (No.73 Nov. '09). Washington's appearance on both *Rockwiz* and *Spicks & Specks* last year helped to gain the project wide attention. They will be joining The Beautiful Girls on an extensive national tour in June and July.

**No.85 SHUT UP & KISS ME** - Orianthi. Adelaide-born guitar whiz, Orianthi makes her second trip into the top 100 with this new single. *Shut Up & Kiss Me* follows the worldwide hit *According To You* (No.8 Dec. '09). That song gave her a top 20 spot in the U.S, top 30 in Canada and top 3 in Japan. *Shut Up & Kiss Me* will be appearing on her forthcoming album. Orianthi recently performed the song on *American Idol*.

**No.87 SAIL THE WILDEST STRETCH** - Powderfinger. With not long to go until the band call it a day, Powderfinger enter the ARIA Singles Chart with the third single from their album *Golden Rule*. *Sail The Wildest Stretch* follows on from *All Of The Dreamers* (No.23 Oct. '09) and *Burn Your Name* (No.45 Apr. '10). The video features the band as colonial adventurers. The band's farewell tour kicks off on 1 September.

**No.95 WOULD YOU RAISE YOUR HANDS?** – Rogue Traders. The second single from the new incarnation of the Rogue Traders and the second to enter the chart. It follows *Love Is A War* (No.90 Jan. '10) and also comes from their forthcoming album, *Night Of The Living Drums*. The group recently performed the song at this year's Logie Award. This song contains elements of Adam Ant's hit single *Antmusic*.

**No.99 LIKE A VIRGIN** – Glee Cast Feat. Jonathan Groff. Another week, another Glee Cast entry into the chart. This time, the cast of the hit TV show bring us another track from their Madonna episode. The original was released by Madonna in 1984 as the first single from her second album. It hit No.1 on the Australian charts.

**ALBUMS.** Positions No.1 and No.2 remain unchanged from last week. In the wake of Mother's day, Michael Buble has jumped from No.9 to No.3 with *Crazy Love*. The Glee Cast's album of Madonna tunes moves up to No.10 following the airing of the episode in which the songs feature. Following its re-entry into the chart last week, Metallica's 1991 self-titled album has stormed up to sit at No.48, while their most recent effort, *Death Magnetic*, has slipped back in at No.94. *The Best Of Cat Stevens* has moved sharply up the chart, creeping twenty-two spots to No.50, following the announcement of an upcoming tour by the folk troubadour.

**No.28 SEA OF COWARDS** – The Dead Weather. Coming less than a year since making their debut, American supergroup The Dead Weather releases their second long player, *Sea Of Cowards*. Made up of Jack White (The White Stripes, The Raconteurs), Alison Mosshart (The Kills), Jack Lawrence (The Greenhornes, The Raconteurs) and Dean Fertita (Queens Of The Stone Age), The Dead Weather released their first album, *Horehound* (No.48 Aug. '09), in July of last year. All members of the band play a multitude of instruments onstage and on record. The band was recently in the country for their debut Australian tour.

**No.41 HIGH VIOLET** – The National. This is the fifth studio album from Brooklyn five-piece, The National and their first to enter the ARIA Albums Chart. *High Violet* was recorded in the band's own studio in New York with Peter Katis, the man behind their previous two albums, *Alligator* and *Boxer*. During the 2008 U.S. presidential election, the band's music was used by the Obama campaign during several events. They also played several benefit concerts.

**No.69 WHERE DID THE NIGHT FALL** - UNKLE. Three years on from the album *War Stories* (No.58 July '07), London electronic act UNKLE release their new album, *Where Did The Night Fall*. It's UNKLE's fifth album and features contributions from, amongst others, L.A. shoegaze trio Autolux, Austin psychedelic outfit The Black Angels and former Screaming Trees and Queens Of The Stone Age vocalist Mark Lanegan.

**No.79 TOTAL LIFE FOREVER** - Foals. The second album from UK indie band Foals is their first to enter the ARIA Albums Chart. The album is a follow-up to their 2008 debut, *Antidotes*. It was recorded in Sweden in late 2009 and expands on the disco-punk of its predecessor to move into more progressive territories. Foals will be in Australia in July to appear at *Splendour In The Grass* and a selection of sideshows.

#1 Single this week
