CHARTIFACTS

Week Commencing 31 May 2010

Issue #1057

SINGLES. Usher is No.1 again with *OMG*. There are no new entries in the top ten but there has been a significant reshuffling amongst the lot. Elsewhere, the Glee Cast has stormed to No.15 with *Jessie's Girl* and at No.28 with *Total Eclipse Of The Heart*. On the back of Usher's continued success with *OMG* and with the album *Raymond V Raymond*, his former No.1 single, *Yeah!* has re-entered the chart at No.40.

No.18 **CAN'T BE TAMED** - Miley Cyrus. The new single from teen superstar Miley Cyrus sees her taking a more mature direction. *Can't Be Tamed* is the first single to come from her forthcoming album, also entitled *Can't Be Tamed*. The track has already hit the top five in New Zealand and the top ten in the U.S. and Canada. The elaborate video for the track features Cyrus as a caged bird in a museum. Cyrus last hit the chart with the single *When I Look At You* (No.19 Apr. '10). The album, *Can't Be Tamed*, is set for release later in June.

No.35 **BILLIONAIRE** - Travis McCoy Feat. Bruno Mars. *Billionaire* is the debut solo single from Gym Class Heroes leader Travis McCoy. It comes from his solo debut album *Lazarus*. McCoy has previously featured on singles by Kelly Rowland (*Daylight* (No.43 July '08)) and Cassie Davis (*Differently* (No.29 June '09)). This track features Bruno Mars; the vocalist who is also currently in the chart with B.o.B for *Nothin' On You*. As a member of Gym Class Heroes, McCoy achieved top 20 singles with *Clothes Off!!!* (No.11 Aug. '07) and *Cupid's Chokehold / Breakfast In America* (No.14 May '07).

No.37 **NEUTRON STAR COLLISION (LOVE IS FOREVER)** - Muse. With anticipation building for the release of the third instalment of the *Twilight* saga, the first single from the soundtrack album to *Eclipse* enters the chart. *Neutron Star Collision (Love Is Forever)* has been recorded by Muse specifically for the movie's soundtrack and is their third track to feature in the chart this year after *Undisclosed Desires* (No.11 Feb. '10) and *Resistance* (No.72 Mar. '10). *The Twilight Saga: Eclipse* hits cinemas in late June.

No.41 **UNTIL YOU WERE GONE** - Chipmunk Feat. Esmee Denters. 19 year old British rapper Chipmunk makes his first foray into the ARIA singles chart with this track. *Until You Were Gone* comes from his debut album, *I Am Chipmunk*. It went to No.3 on the U.K. singles chart. The track features vocals by Dutch singer-songwriter Esmee Denters. Denters was the first artist to be signed to Justin Timberlake's *Tenman Records*.

No.64 **RUN JOEY RUN** - Glee Cast. This is the first new track from Glee to enter the chart this week. *Run Joey Run* is a track originally recorded by David Geddes in 1974. The track peaked at No.4 in the U.S. upon original release. In Australia, the track entered the chart in October 1975 and reached a peak of No.36.

No.69 **RICH KIDS (LIVE)** - Washington. This new addition to the chart by Washington is a live video of their current single, *Rich Kids*. The single is currently No.1 on the ARIA physical singles chart and has been for the three weeks it's been on the market. Washington joins The Beautiful Girls on their extensive national tour in June and July.

No.71 **I LIKE IT** - Enrique Iglesias Feat. Pitbull. The new single from Latino heartthrob, Enrique Iglesias is his first to hit the chart since 2004's *Not In Love* (No.15 Mar. '04). It comes from his forthcoming album, *Euphoria*, an album with songs in English and Spanish. *Euphoria* is Iglesias' first album of new material since 2007. He previously topped the chart with *Hero* (No.1 Jan. '02).

No.74 **HOT N' FUN - N'E'R'D** Feat. Nelly Furtado. For the first single from their forthcoming album, *N'E'R'D* have teamed up with Canadian songstress Nelly Furtado. The band, helmed by super producers Pharrell Williams and Chad Hugo will release their fourth album, *Nothing*, in September. The group's best performing single was *She Wants To Move* (No.21 Apr. '04).

No.83 **BAD ROMANCE** - Glee Cast. The second Glee Cast entry for the week is a take on Lady Gaga's worldwide hit single, *Bad Romance*. The original single debuted on the ARIA singles chart in November 2009 and reached a peak of No.2 in late December. It went to No.1 in many countries including Canada, Italy, Ireland, Sweden and Spain. It reached No.31 on the ARIA end of year singles chart for 2009.

No.88 **PHYSICAL** - Glee Cast Feat. Olivia Newton-John. The third and final Glee Cast single for the week features a special guest appearance by Aussie pop icon, Olivia Newton-John. She reprises the song that gave her a worldwide hit in 1981, this time with some help from Glee star Jane Lynch. ONJ's original version spent five weeks at No.1 in Australia in 1981. It also went to No.1 in the U.S., Canada and New Zealand.

ALBUMS. With three new entries in this week's top five, the chart has received a fair shake up. On the back of the continued success of *OMG* in the singles chart, Usher has climbed to No.2 with *Raymond V Raymond*. Last week's No.1, Justin Bieber, slips back to No.5. This week sees big jumps up the chart from David Hobson and Craig David, as well as significant re-entries from Patrizio Buanne, Lady Antebellum and Madonna. Following a big re-entry last week, *Exile On Main Street* holds strong at No.6.

No.1 **GLEE: THE MUSIC, VOLUME 3 SHOWSTOPPERS** - Glee Cast. The fourth album to come from the Glee franchise is the first to hit the top of the charts. *Showstoppers* compiles tracks from the second half of the TV series' first season and includes covers of artists such as The Beatles, Parliament, U2, Lady Gaga, Bonnie Tyler and Men Without Hats. The first two albums from the Glee Cast peaked at No.3 (Nov. '09) and No.8 (Dec. '09) respectively. The last Glee Cast album - *The Power Of Madonna* - reached No.10 when it was released in early May.

No.3 **IMMERSION** - Pendulum. Perth via London drum and bass outfit Pendulum achieve their highest chart position during their career with third album, *Immersion*. The album is the follow up to 2008's *In Silico* (No.9 May '08). It sees the band expanding more into the sounds of dub step and electro than on previous releases. The six-piece have a busy few months ahead with an extensive list of dates booked throughout Europe, U.S.A. and Japan. They recently returned home to play a one-off album showcase.

No.4 **INNERSPEAKER** - Tame Impala. The long-awaited debut album from blissed-out psych four-piece, Tame Impala. *Innerspeaker* was recorded by Tame Impala's main protagonist, Kevin Parker with assistance from Death In Vegas' Tim Holmes and David Fridmann. The band previously charted on the singles chart with their self-titled EP (No.82 Dec. '08). Since their first release, they have been a fixture on the live circuit, including numerous festivals. They recently completed a national tour in support of the albums release. They are about to head off on their debut U.S. tour, supporting MGMT.

No.18 **SPOOKS** - The Beautiful Girls. Album number four from Sydney roots rockers, The Beautiful Girls. *Spooks* is the three-piece's first album since *Zigurats* (No.21 May '07) and is their highest charting album so far. In the time between Beautiful Girls albums, frontman Mat McHugh released a solo album, *Separatista*. The Beautiful Girls will spend most of June and July touring around Australia in support of their album *Spooks*.

No.21 **STONE TEMPLE PILOTS** - Stone Temple Pilots. Nine years after their last album and seven years since going on hiatus, the Stone Temple Pilots complete their comeback with the release of their sixth album. The band first got back together in April 2008 for a vast American tour. New material began to come together when the band were sound checking on the tour. During the band's hiatus, singer Scott Weiland was the frontman for supergroup Velvet Revolver. Stone Temple Pilots previously topped the chart with *Purple* (No.1 June '94).

No.28 **THE DANCE - Faithless.** *The Dance* is the sixth studio album from U.K. dance act, Faithless. Its release marks the first time the group has charted with an album of new material in six years. Their last charting album was *No Roots* (No.23 June '04). They have since charted with the compilation *Forever Faithless* (No.32 May '05) and released one album, *To All New Arrivals*, which failed to make an impact on the chart. Longtime collaborator Dido features on two tracks on *The Dance*.

No.38 **OMEN - Soulfly.** The seventh album from Brazilian metal-heads, Soulfly is also their seventh to chart in the top 50. The band recorded *Omen* towards the end of 2009 in Los Angeles. Front man, Max Cavalera produced the album with Logan Mader (Machine Head). The front and back covers of the album were inspired by the Star Wars characters, the Tusken Raiders.

No.44 **THIS ONE'S FOR YOU** - Deez Nuts. Melbourne rapcore act, Deez Nuts achieves their best position on the ARIA albums chart with new album, *This One's For You*. The album is the band's second and follows on from *Stay True* (No.80 Oct. '08). JJ Peters, the man behind Deez Nuts, performed the majority of the album by himself. However, the album does feature guest appearances by members of fellow Aussie hardcore acts Bring Me The Horizon, I Killed The Prom Queen and The Red Shore.

No.60 **DISTANT RELATIVES** - Nas & Damien Marley. *Distant Relatives* is a collaborative album by hip hop star Nas and reggae artist Damien Marley. *Distant Relatives* is heavily influenced by the shared African ancestry of both artists as well as poverty and empowerment. The album also includes guest appearances by Lil Wayne, Joss Stone, K'Naan and Stephen Marley. Proceeds from the album's sales will go towards projects in Africa, including the building of a school.

No.83 **THE BRAVE DON'T RUN** - Midnight Youth. Midnight Youth are a five piece band from Auckland. *The Brave Don't Run* is their debut album. Upon release in New Zealand, the album peaked at No.2 in the charts. They've also had several tracks, including *The Letter* and *All On Our Own*, hit the N.Z. singles chart. Midnight Youth will be joining Birds Of Tokyo on their forthcoming Australian tour.

No.100 **TOURIST HISTORY** - Two Door Cinema Club. *Tourist History* is the debut from Northern Ireland three-piece, Two Door Cinema Club. The band recorded the album in London in the studio used by Phoenix to record their album *Wolfgang Amadeus Phoenix*. The band got the idea for the album's title because their hometown, Bangor, is a popular tourist destination. The band will be in Australia for *Splendour In The Grass* later this year.
